Lumpsum grant of Rs 1000/- to Mr Rayappa Pandit of the Hindu Vidyasala at Tanker—

From The Deputy Commissioner Shm Chittagong Distnct

Letter No B3 PR 411/47-48 dated 13th May 48

Requests sanction to the resolution of the town Municipal council d 15-1-48 to pay a lumpsum grant of Rs 1000/— to Mr Rayappa Pandit of the Hindu Vaidyasala at Tanker — The resolution of the Tanker Mc dl is to the effect that 1) the Hindu Vidyasala at Tanker be abolished from 1st April 48 since the L F dispensary and other private dispensaries are affording necessary medical amenities to the public

2) the municipal council have resolved to stop payment to the institution from 1.4.48 and to pay him a bonus of Rs 1000/— in consideration of his extraordinary long service to the town,

→ the expenditure being met out of the closing balance of the municipality for the year 1947-48

Sub for orders

Please note the financial

of Mrs Kelly as per the benefit estimates for 1947-48

20/5/48

Also a petition has been received from the Vaidya others regarding

3) [illegible] 20/5/48

4) The financial position of Tanuku Town municipality is as follows - for the current year -

Opening Balance -	6833
Receipts -	69,266
Total -	76099
Expenditure -	69,060
Closing Balance	7039

~~Sub Inspector~~ ~~Dt~~ ~~24/5~~

5) Petition of Sri Rayappa pandit is appended herewith the petitioners prays that his Hyderabad dismissal is continued for some more time, and his services may be entertained in other Govt institutions

grant of Rs 1000/- to Sri Jayaprakash Pandit 6/9/45 Jnl

The DC has recommended in his latest letter for a lumpsum grant of Rs 1000/-

Sub Recorder

Ok 28/5 HDR 28/5

6) Pl note with regard to the budget estimate of 1946-47 as to what payments given by the MC

for DS/28/5

Sub

7) As per H statement showing the details of school establishments for the year 1946-47 the Ayurvedic pandit was paid Rs 40/- PM by the municipality

8) The post of the Ayurvedic Pandit is a non-pensionable one & therefore proposed to give him arrears of Rs 1000/- (equal to his pay for 25 months at Rs 40 pm) and discharge him from service. The MC & Collector have resolved accordingly the DC chikkamagalur recommends sanction for the arrears. The financial condition of the MC is far from satisfactory & proposal to pay arrears (Rs 1000) appears to be rather too onerous. Hence reduced to Rs 500 of which new scheme Ans 28/5/46.

~~35 52~~ 6867/V 6965

9) The above proposal at 'A' is for consideration.

COPIES OF THE VISITOR'S BOOK MAINTAINED AT THE TARIKERE HINDU VAIDYASALA FROM THE YEAR *1934

1. I visited the Hindu Vaidyasala at Tarikere this evening. I have visited it on several occassions before this during my short tenure as acting Amildar of this Taluk. The Vaidyasala is at present held in a portion of Kullegowda's Chatram. It was opened on the 28th August 1904 This is the first Institution of its kind here Upto now nearly 2600 patients have been treated It is satisfactory to note that the Pandit Mr K Rajappa has successfully treated seven Plague cases which form part of the above number. A seperate building is badly needed. The Institution has not yet been furnished with the necessary articles of furniture, bottles, etc The want of these is very badly felt The Pandit is trying his best and getting through the work The present amount of contingency allowed for the Institution is Rs.9/- This is very poor considering the Large nukber of patients attending the Institution, the same ranging from100 to 150 daily on average The Pandit is taking great interest in his work He deserves every encouragement.

Tarikere,
20th October 1904.

Sd/- C Swami Rao,
AG AMILDAR

2 Inspected the Hindu Vaidyasala this day and find it dowing good work and seemed to be a very popular Institution. Has to be watched

28th December 1904.

Sd/- C A Nanjappa
D M & S D.

3 Inspected the Hindu Vaidyasala at Tarikere this morning. The medicines have been well arranged and the Vaidyasala kept clean I understand that the Institution is popular and that no English medicines are given therein The importance however of not using any English Medicines for treatment of patients attending the Vaidyasala was shown to the doctors in charge Seeing that the Vaidyasala is to some extent, under the control of the Hospital Assistant, nothing is more fatal to the good relation subsisting between the two Institutions that a conflict of function resulting from the use of English medicines by the Vaidyasala

8th September 1905

Sd/- P.N Krishna Murt y,
DEWAN OF MYSORE.

4. Inspected the Vaidyasala on the monring of the 24th March 1909. I am glad to find that the Vaidyasala has been doing works Detailed Inspection notes have been submitted to the Deputy Commissioner

25th March 1909.

Sd/= C.Ranganatha Rao,
ASST. COMMISSIONER.

5 Since I took charge of this Taluk I watched the work done in this Vaidyasala I am glad to note that the Vaidyasala is largly used of the public. This shows the popularity of the Pandit I have heard people also expressing that the Pandit treat patients carefully to their entire satisfaction.

11th September 1909

Sd/- M Krishnasamiengar,
AMILDAR.

6 Visited the Vaidyasala and I am glad to testify to the usefulness of the Institution - the daily average attendance of patients being 53. It would be a useful thing for the Pandit to send in an Indent for the country medicines he requires to the Deputy Commissioner and get these supplied through medical stores. There could not be much room for complaint or abuse of the contingent allotment The pills in use are not of uniform

uniform sizes. I would recommend the supply of a pill dividing machine and a match tile and a bolus knife , a small scale and weight. These are very important and necessary appliances in any hospital or dispensary. The Pandit, I am told is popular and makes himself agreeable to the public.

Sd/- V.Muthaswamidoss,
DISTRICT MEDICAL AND
SANITORY OFFICER.

17th December 1909.

7. I inspected the dispensary this morning. The average attendance is fair and the Pandit has been attending to his work properly - checked register and found them correct.

Sd/- P Subba Rao.
AMILDAR

7th September 1911.

8. Inspected the dispensary this day and found from the registers that the average attendances is about 55 Everything is kept neatly. I understand the Pandit in charge does useful work

Sd/- P.S Atchuta Rao
OFFG SENIOR SURGEON.

26th February 1912.

9. I was watching with interest the working of the Vaidyasala for the last three months. I am glad to note that the Pandit Rajappa has been dowing his best to make the Insitution very popular. The average attendance is between 50 to 55 a day and there will be not less than 30 to 35 men patients. I have ascertained that Rajappa is very popular and he goes from patients to patient every morning anf takes a good deal of interest. Under his kind and sympathetic care the medicines (Ayurvedic) are becoming very much liked. The only defect I find is that the contingency of Rs.15/- is too small. If possible it would be better that the Government buy articles in the Bazaar and supply the Pandit as much as he wants If the finance of the Municipality permit I would like to see his pay raised He had no promotion for a long time and encouragement is very necessary I hope my successor who knows the working of the Vaidyasala for a long time will try to increase the Pandit's pay from 20 to 25 ruppes

Sd/- Venkatesia,
AMILDAR.

12th June 1912.

10. Inspected the Vaidyasala this morning and found everything neat and clean I am glad to note that the Pandit is dowing useful work.

Tarikere,
22nd August 1913.

Sd/- C B Samuel,
DISTRICT SANITARY OFFICER

11. I visited the Vaidyasala to day and found everything clean and in order The Pandit in charge Mr Rajappa, seems to be dowing good work and the Institution is popular.

Sd/- B Ramaswami,
D.C.

10th December 1916.

12 I visited the Vaidyasala this afternoon and found the Pandit attending to his patients The total treated for August 1918 is recorded as 1281 and the daily average 77.2. diseases treated as recorded are fever, Pnuemonia, Dysentry, Worms, Spleen, Plague, etc , As recorded by the previous District Medical Officers and other Visitors, the Institution is popular and has had a standing of over 14 years. Pandit Rajappa has been in charge of this Institution all this period. He compalins he is given no grain compensations allowance nor leave allowance nor the benefit of State Insurance nor pension and he has been working in this semi-malnad only for the past 14 years with no reliefs, amidst plagues for more than five to

five to six months of the year. He gets no malnod allowance nor semi-malnad allowance, not even the Cooly attahced to this Institution who gets only Rs.6/- in spite of his service of 8 or 9 years. The necessaries of life are very dear and living is becoming costlier day by day. From the account of the contingencies kept, I find that the value of Bazaar medicines and Stationery etc , has gone up and the cost of almost every preparation is nearly doubled. Inspite there of, the same amount of contingency viz ,Rs.15/- is given inspite of repeated representations The average daily published records of the past five years' statistics, works out an attendance of about 67 patients a day and so, each patient is treated at the rate of about a pie a day or 1½ pies at the most. He says he is unable to treat complicated cases as indoor patients as there is no accomodation and no staffs and no daily charges provided, nor bedding and clothing is given. He has been sending all such patients to the L F dispensary only. He says he has not been receiving any substantial amount from patients also as they are too poor to pa or unwilling to remunerate. His representations may be sympathetically considered.

Tarikere,
6th September 1918.

Sd/- W Srinivasiengar,
M B C M
DISTRICT MEDICAL OFFICER,

13. The Institution has a long starding and seems to be popular and serving a sueful purpose judged by the number of patients who have been seeking its aid - I understand that the grant-in-aid has recently been enhanced

Sd/- K Mylar Rao,
19th April 1919. DEPUTY COMMISSIONER.

14. I visited the Institution this day and made clear enquiries about its working There were number of patients of the town and the Amildar of Tarikere with me The Vaidyasala is said to be very popular and serving the needs of a large section of the people. The present grant is Rs 50/- per mensem and it is found that it is not adequate to enable the Pandit Mr Rajappa to sup ly medicines to poor patients on the spot by maintaining the necessary stock and engaging the compunder for preparing them Pro osals have been made for increasing the grant and hope the managing council of Tarikere and the District and Taluk Boards will view the representations with sympathy It is the policy of H.H. Gocernment to encourage Native, Unani and Ayurvedic System of Medicine, if administered on scientific lines. Mr Rajappa is a trained Ayurvedic Physician and I wish him every success in his human work of attending the sufferings of manking.

Sd/- S.Srinivasiengar,
11th July 1924 DEPUTY COMMISSIONER.

15. Mr Rajappa is a very popular Pandit and capable too. He has helped me a great deal in the spread of the Charaka Movement and the formation of a shoe manufacturing society. He works whole heartedly not only in his profession as a Vidya but in any other work that may be entrusted to him

Tarikere,
16th June 1927.

Sd/- C Ramachandra Rao,
S.D.O

16. As president of the Municipality, Tarikere, I had several occasions of visiting the Vaidyasala The Institution is serving a very useful purpose and I see from the daily roll of patients that the Vaidyasala enjoys a vide popularity. I put down the usefulness of the Vaidyasala entirely to the zeal, skill and popularity of the Physician Mr. Rajappa At present a grant of Rs.80/- per month is being given which includes the pay of the Pandit, Cost of medicines and allowance to the peon The present grant is obviously too

Obviously too little and might with advantage be raised to Rs.100/- at least I am saying this in the interests of the public since I am certain that any increase in the grant will go entirely to their benefit. Mr. Rajappa is besides, the secretary of two co-operative Societies and is a staunch Khaddile He was very helpful to me on the occasion of the celebration of the Silver Jubilee.

Sd/- N Madhava Rao,
28th November 1927. ASSISTANT COMMISSIONER.

17. As president of the Municipality I have watched the working of the Institution. It is the most popular Institution(medical) in the place and the most useful of Native Vaidyasalas, I have so far seen. The Pandit Mr Rajappa is a conscious and capable physician and his diagnosis of the diseases is correct in almost every case. He does not belong to the usual class of Pandits, but combines Scientific Ayurvedic Medicines well upto-date methods of symptoms and analysis.

Sd/- T Ramaiya,
23rd July 1928 ASSISTANT COMMISSIONER.

18. Visited the Vaidyasala this morning and found from the attendance register that his morning's attendance upto 10 A M. was 30 Patients are coming, I am told, from distant villages The Pandit in charge of the Institution is I hear of good experience in drugging He says he has extensive private practice. Besides, he is an influential person in the localities.

Sd/- H Krishna Rao,
3rd August 1930 PRESIDENT, KADUR DISTRICT.

19 As president of the Municipality for a period of over one and a half years I had occasion to watch the work of the Hindu Vaidyasala, Tarikere and can testify that it is a very popular and useful Institution A very fair number of patients are treated daily and the Pandit is also regular and zealous in his work I wish the Institution a long career of continued usefulness to the large public it serves.

Sd/- N S Hiriyannaiya,
9th April 1932. PRESIDENT.

20. Visited the Vaidyasala The attendance on 15th was 102 and 16th till 9-30 A M. 48. The Institution seems to be very popular and the average attendance in October is 113 and the Villagers seem to have great confidence in the Pandit Rajappa who is dowing very good work and in very popular and capable I am glad to note that with the small grant he is getting he is managing to meet the demands of the public which is very great. He observes every enccuragements at the hands of the local Institution.

Sd/- S.N Ramanna,
16th November 1937. PRESIDENT.

21. - Mr K.Rajappa's Vaidyasala was made a centre for Inoculation work on several occasions in the season and the vice President Mr. Puttiah found this centre more successful than the rest for the Inoculation work Mr. Rajappa's co-operation dragged many of his patients to this centre and it was a pleasure to see people flocking for inoculation a s well as for Native treatement The building is kept tidy, the daily attendance shows that the Tarikeres public has more faith on Native medicine Mr K Rajappa is an experienced long standing Physician of this Institution and his diagnosis in many of the complicated cases is simply wonderful

It is hoped that he and his Institution would do betterx service to the suffering poor in this season especially when the public is grightened of the plague infection His specific for Plague is giving good results He richly deserves encouragement fxxxxkx from the Educatedx public.

Sd/- A.V.Ammanna,
Municipal Councillor &
Medical Practitioner.

Sd/ D.Puttiah,
VICE PRESIDENT.

Sd/- T.Veerappa, Municipal Councillor.
Sd/- N Subba Rao, Municipal Councillor.

22. I have visited the Vaidyasala several times during my stay here as President of the Municipality for the last 2½ years. The Institution is very popular and very useful in the town I must say that the entire success of this Institution is entirely due to the Pandit Mr. Rajappa who is one of the very efficient Pandits I have come across He is very experienced in his profession and very amiable and popular. He always takes much interest in his work and he never shirks to ledd his helping hand to any of the ailing who approach for his treatment I wish the Institution every success.

Sd/- M K Appajappa,
S.D.O

6th November 1939.

23. During my stay in this town as Sub Division Officer and President of the Municipality I have hand may occasions to visit the dispensary and also to watch its progress Not only the dispensary is popular but is is managed very effieiently by the Pandit Mr Rajappa who is a man of Out-standing ability as xxx such I find him to be remarkably efficient particular in administering medicines for certain specific diseases like the skin diseases, whooping cough and mensuration troubles, etc , My own child having had an attach of whooping cough the medicine administered by Mr Rajappa worked as magic on him and gave him immediate relief as against the popular opinion that the cough will not be cured for atleast 3 months. It is desirable to make this medicine available to the young children thxough costly who suffer from this monstrous diseases The remuneration paid to him by the Municipality is very inadequate and has to be increased sufficiently. I hope the people of this town will make use of the talents of this experienced Pandit without any reservation. I wish him and his dispensary every success.

Tarikere,
9th October 1946.

Sd/- S Abdul Aziz,
SUB DIVISION OFFICER.

Office of the Deputy Commissioner, Chikmagalur District,
Dated, Chikmagalur, the 13th May 1948

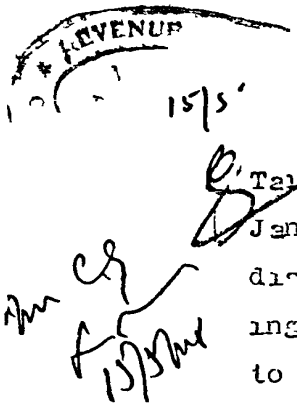
No.A3.P R 411/47-48

ML 7 47-55

To

The Secretary to Government of Mysore,
Revenue Department, Bangalore.

Sir,



Subject - Payment of a lump sum grant of Rs 1000/- - to Sri Rajappa Pandit of the Hindu Vidyasala at Tarikere

I have the honour to state that the Town Municipal Council, Tarikere, have resolved at the special meeting held on 15th January 1948 that the Hindu Vidyasala at Tarikere since the L F dispensary and other private dispensaries at the place are affording necessary medical amenities to the public Having regard to the long service of over 40 years rendered by the Pandit, the Special Committee appointed by the Municipality to consider its financial position, recommended the grant of a sum of Rs 750/- to the Pandit Upon this the Municipal Council resolved to stop the aymnt to the institution with effect from 1-4-1943 and to pay him a sum of Rs 1000/- out of the closing balance of the Municipality for the year 1947-48 as a lump-sum grant to the Pandit in consideration of his extraordinary long service in the Town In the above circumstances, I request you to kindly obtain the sanction of Government to the said resolution of the Municipal Council at an early date

be abolished with effect from 1st April '48

Report of H C 42/47-48 dated 20th February 1948 received from the President, Town Municipal Council, Tarikere, is enclosed herewith Resolution copy accompanies

I have the honour to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
